Laser etching is available at checkout for faux leather covers

LayFlat Premium Photobooks

We recommend **NOT** to position text or small images over the centre of the spread. 1-4mm will be lost in the spine.

Features

- Press Printed (Digital)
- 216gsm Silk Mazina LayFlat Paper
- 24 to 60 Pages
- Printed or black faux leather cover
- Laser Etching available for faux leather cover
- Choice of 3 etching fonts
- Presentation boxes available at checkout
- No barcodes / fully unbranded

LayFlat Premium Photobooks

The inner pages are digitally printed on heavy weight 216gsm silk Mazina LayFlat paper and then sewn bound. LayFlat Premium photobooks use a unique hinge which allows for the continuous flow of images over a spread, with **almost** no central image loss.

The outer cover is printed using traditional silver halide printing and then gloss or matt laminated for protection.
